Donations Sought for Elementary Store

Children's toys, school supplies, and candy, along with larger items such as bicycles, TTY's, and nintendos are urgently needed for "Stuff R' Us", a special store where motivational tickets are the currency. The store is intended to help inspire students to work, socialize with other children, and to follow rules. A ticket is earned when these goals are accomplished. Each student receives at least one ticket per day.

"Stuff R' Us" will be open on Fridays. This is the second year for the project. Last year some materials were purchased through the Student Recreation Fund (SRF) while others were donated by parents, staff and friends. SRF accounts are "frozen" at present and donated materials are needed more than ever.

Elementary Department Supervising Teacher Laurene Gallimore explained that store items may be new or used. She expressed the hope that area businesses and organizations will become involved with "Stuff R' Us". (continued on page 2)

BIBI Thought for the Week:

"Suppressing sign language is a violation of human rights. We agree with most linguists in their assertion that any artificial method of communication or a new language cannot be imposed on human groups. The imposition of any language on a human group will, as history has indicated, always lead to tragic or undesirable results..."

Dr. Yerker Andersson

Donations and names of business and organizations to contact may be forwarded to: Elementary Department - Stuff R' Us. For further information contact Elementary Supervising Teacher Laurene Gallimore (317) 924-4374, Ext. 165.

Welcome Aboard

The Campus Bulletin welcomes DaNada Smith, the new secretary to the Superintendent. She has been being tutored in ASL by ISD ASL Instructor Ann Reifel in preparation for assuming her new duties. Her first day will be Monday the 28th. DaNada was previously Executive Secretary to the Vice President of a local insurance company. She plans to continue her studies with Ms. Reifel.

Babysitters Sought

Three ASL fluent babysitters are needed to care for the children of families attending biweekly MELD meetings. Wages (\$2.50 per hour) will be paid at the end of each meeting. The next meeting will be held October 12th, 6:30 - 9:00 pm in the Multi-purpose Room, Building 1. Persons interested in applying should contact Diane Hazel Jones or Glenda Zmijewski at (317) 924-8416 and leave their name and phone number.

Thanks DCC

Thanks to ISD's Deaf Concerns Council (DCC) for their invaluable help in making Deaf Heritage Week such a success. DCC named Susan Hocker and Mike Jackson to co-chair activities for the week. Mike and Susan worked closely with Deaf Studies Coordinator Pamela Haring. The results of the collaboration were the many activities, workshops, and performances which reached every corner of the campus as well as far beyond ISD. Thanks DCC, Susan, Mike, and Pamela!

Health Center Health Facts

Cold and flu season always begins shortly after the start of the new school year. ISD's Health Center wants the ISD community to be aware of the following facts concerning cold and flu viruses:

- A cold is a viral infection that may cause a stuffy nose, sore throat, and cough which usually last for approximately a week.
- A flu virus may cause headaches, muscle aches, high fever, and sometimes vomiting.
- A flu virus may last longer than a cold.
- There are no known cures for these viruses.
- Persons experiencing symptoms of these viral infections should drink plenty of liquids, eat well, and get lots of rest. If symptoms persist for more than a few days, a physician should be consulted.

Thanks for the Help

Cindy Johnson came to ISD on April 1st as a temporary after leaving the Indiana Department of Commerce. In the six months Cindy was here she truly became part of the ISD "family". Thank you Cindy. You will be missed...

Cross-Country

ISD	vs	Seccina &	Ritter
64		46	21

A **Big Thank You!** to the Ball State students Tim Burdsall, Katie Adams, and Christi Heyerly for helping get out the Homecoming/CSSD advertising contracts -

ISD set a new school record on the way to winning its first meet of the season! ISD defeated Tech 39-37 with 7 first place finishes and 4 personal bests. Tech is a "5A" rated school. ISD is a *much smaller* "1A" rated school. ISD's swimmers really showed their strength!

Varsity Volleyball won its first match of the season with an impressive defeat of St. Rita's.

ISD's Cross Country team faced Ritter and Scecina at Ellenberger Park on September 17th with Scecina hosting. The team showed improvement from the first meet of the season according to Coach Mike McGeath. **James Rayburn** (Cross Country Athlete of the Week) improved his time by more than two minutes. **Danny Moore**, who has been competing quite consistently, equaled his time from the first meet, finishing just three seconds behind James. **Toby Hostetler** posted a personal best, finishing in 24:10.

Thanks to Relay Indiana for donating 500 cups to the Athletic Program for fundraising. The program is fortunate to have such community support.

Program Seeking Volunteers

The Athletic Program is looking for volunteers! The CSSD Volleyball Tournament will be hosted by ISD on Oct 16-17, 1992. Help is needed in a variety of ways, including selling admissions, concessions, souvenir T-shirts and programs, staffing the hospitality room, timekeeping and scorekeeping. Please contact the Athletic Office (317) 924-8408 to volunteer.

GO ORIOLES!

Athletes of the Week

Swimming: **Raylene Harris.** Raylene earned first place finishes in the 200m Individual Medley and the 100m Freestyle by setting personal best times in both events. Raylene also assisted the 200m Freestyle Relay and 200m Medley Relay teams to first place finishes. Raylene's hard work and determination are strong factors in her success.

Cross-Country: **James Rayburn.** James improved his time this week by two full minutes - an incredible feat! In the first meet of the season his time was 24:30, in the second meet his time was 22:08. Coach Mike McGeath said "my hat is off to James for this big improvement. James finished 7th in the meet against Ritter and Seccina.

Cheerleading: **Mandy Loper.** *Junior Varsity* - Mandy really challenged herself this week, performing many new stunts she had never done before.

Rosa Gallimore. *Varsity* - Rosa always exerts 100% effort and has a fantastic attitude!

Volleyball: **Becky Fields.** *Varsity* - There were three meets this week. Becky made 11 straight serves against St. Rita's, as well as many assists. She played well in all three matches.

Jessica Jones. *Junior Varsity* - Jessica made no errors in any of the three meets this week, and made some very good serves.

Football: **Brian Trager.** Brian has a great work ethic, good leadership skills, and has improved his passing game. He passed for a touchdown against Alabama School for the Deaf.

Deaf Sertoma Chapter to Form

At 9 am on Saturday, October 3rd, the first organizational meeting of **Silent Sertoma** will be held in the offices of the Indiana Association of the Deaf, located at 445 North Pennsylvania Avenue, Indianapolis. The new chapter will be sponsored in part by Indianapolis' Eastside Sertoma. The Eastside group plans to underwrite start-up expenses for the **Silent Sertoma**. All interested persons should plan to attend the meeting and become a charter member.

Elementary Students to Attend Circus Press Conference

5th graders from ISD's Elementary Department will experience a live press conference first-hand when they attend a special session with a Ringling Brothers and Barnum & Bailey animal trainer and a professional clown. The students will spend an hour questioning these performers before joining the audience at Market Square Arena for the Wednesday evening, September 30th performance as guests of the circus. The students will write "newspaper" articles based on their experiences at the press conference and circus when they return to ISD.

Weight Watchers Waiting

As of Monday, September 21st, only five staff members have expressed interest in joining a Weight Watchers "At Work" program. In order to have the program, a minimum of fifteen people must be willing to join. Contact Mary Alice Moon (317) 924-8414 for information or to register.

ICRID Biennial Conference Announced

Input Invited

Two meetings will be held in the Alumni Hall Auditorium on Tuesday, September 29th. The first meeting will be 2 - 3 pm, the second from 3 - 4 pm. The purpose of the meetings is to allow staff the opportunity to understand and be involved in the preliminary discussions of possible changes in ISD's Preschool Department. Superintendent Eddy Laird explained that the objective of the proposed changes is "to enhance a positive interactive learning environment for preschoolers." Participation is optional, but all interested persons are encouraged to attend.

Welcome Ball State Participants

The Campus Bulletin welcomes this year's Ball State participants to the ISD "community". The 17 students will spend most of their observation time during the first quarter in Preschool and Elementary.

Staff Development Coordinator Mary Alice Moon said "they are very anxious to help in any way they can. They are without a doubt the most enthusiastic group we have ever had on campus."

Graduate Assistants Lora Jarvis and Tim Burdsall will be helping to coordinate the participants' activities, and are seeking ideas for ways the students can help individuals and organizations on campus. Lora and Tim can be contacted through Campus Mail.
